**RE: Construction Notification for Improvements at Union Street and Hawks Avenue**

This letter is to inform you of the upcoming construction at the intersection of Union Street and Hawks Avenue, where the Adanac Bikeway intersects the Strathcona Linear Park. Construction is scheduled to begin in the next couple of weeks.

These Council approved updates to the Strathcona Linear Park should be positive for the community and will reduce cyclist and pedestrian conflicts at this location of the Adanac Bikeway. Construction is anticipated to take a few months for completion and our crews will do everything they can to minimize impacts on neighbours.

In June of 2012, City Staff presented a proposed design for pedestrian and cyclist improvements at a series of Public Open Houses. The design was modified where possible to take into account the feedback received at the open houses. A copy of the most updated design can be found on the back of this letter.

The goals of the project are to:

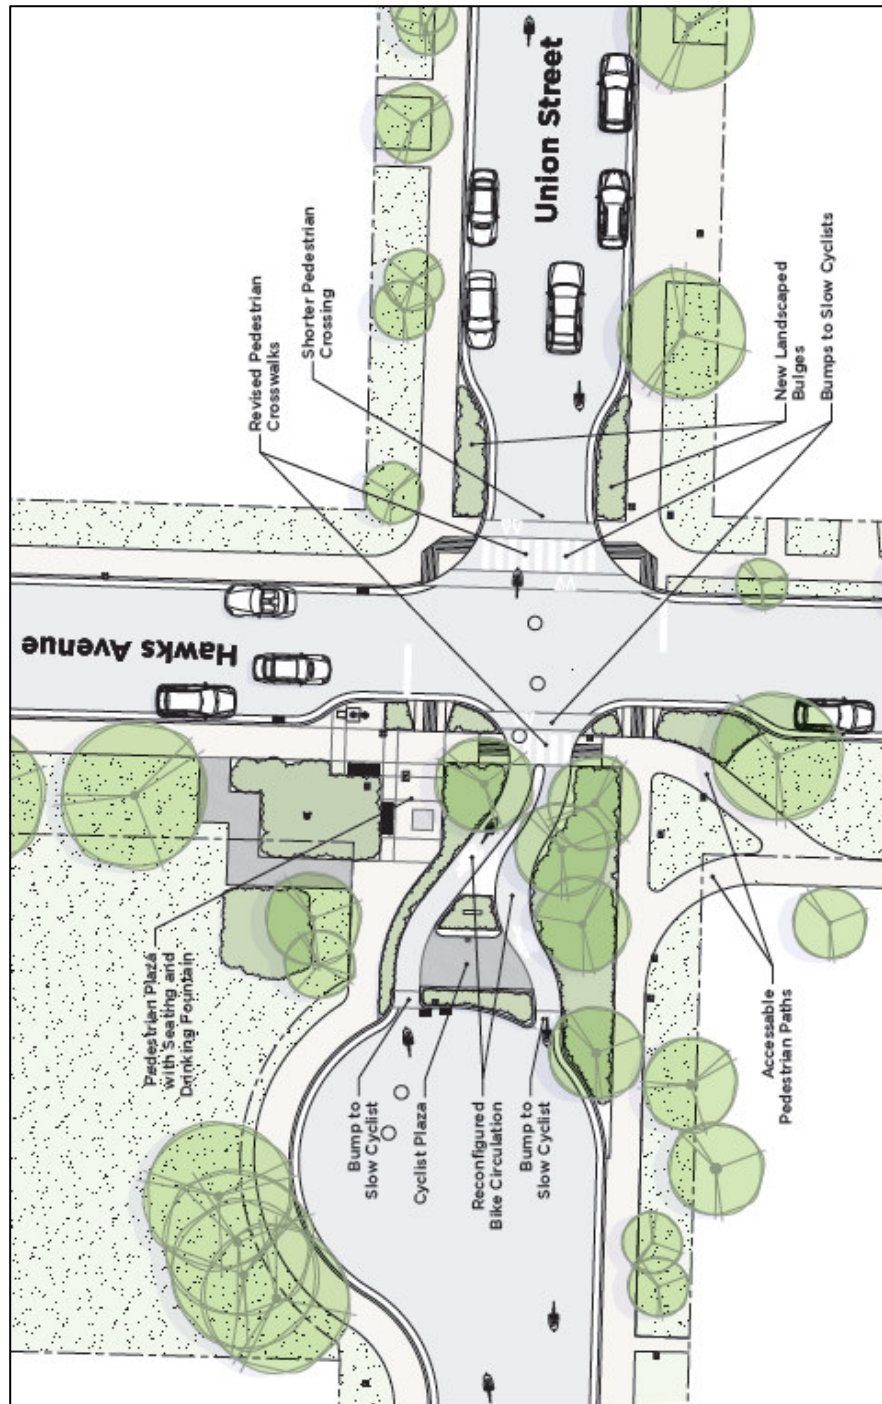

1. Improve pedestrian safety and comfort
2. Improve cyclist safety
3. Improve accessibility and seating in the Strathcona Linear Park

To achieve the goals listed above, the design includes:

- pedestrian bulges Union Street on the east side of Hawks Avenue;
- a realignment of the bicycle path to slow east bound cyclists;
- raised crosswalks across Union Street;
- updated garden plantings to improve visibility (cherry trees to be retained);
- improved lighting
- a new pedestrian and cyclists plaza with benches, water fountain and a public bicycle pump; and
- an extension of the pedestrian path on the west side of Hawks to Prior Street

If you have any questions regarding the status of the project, please call 311.
